

STC Group Europe Holding

Your Trusted Partner in Energy & Petrochemicals

Introduction

STC Group Europe Holding is a leader in the global supply of energy and petrochemical products. With a strong commitment to quality, compliance with international standards, and efficient logistics, we ensure seamless delivery to Europe, Asia, and Africa. Our broad portfolio of products is designed to meet the diverse needs of the energy, agriculture, and industrial sectors.

Our Products

- **Liquefied Petroleum Gas (LPG)**
 - **Purity:** 99.5%
 - **Specifications:** Propane, Butane Mix
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D1835
- **Liquefied Natural Gas (LNG)**
 - **Purity:** 99.7%
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, EN 1160
- **Gasoil (Diesel)**
 - **Specifications:** Ultra-low sulfur diesel (ULSD)
 - **Sulfur Content:** 10 ppm (parts per million)
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 8217, EN 590
- **Urea 46% (Nitrogen Fertilizer)**
 - **Form:** Granular
 - **Nitrogen Content:** 46%
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, GOST 2081-92
- **Sulfur Granules**
 - **Purity:** 99.9%
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D3177
- **Methanol**
 - **Purity:** 99.85%

- **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D1152
- **Bitumen (60/70)**
 - **Penetration Grade:** 60/70
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D946
- **Diammonium Phosphate (DAP)**
 - **N-P-K Ratio:** 18-46-0
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, GOST 2078-2012
- **Ethylene**
 - **Purity:** 99.95%
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D6159
- **Basoil**
 - **Specifications:** Light and Heavy Basoil
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D7654
- **Carbohydrant C7-C12**
 - **Specifications:** Aliphatic Hydrocarbons
 - **Purity:** 99.5%
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D1657
- **Nafta**
 - **Specifications:** Light and Heavy Nafta
 - **Purity:** 99%
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D4057
- **Raffinate**
 - **Specifications:** Aromatic Raffinate
 - **Purity:** 90%
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D6796
- **Ammonia**
 - **Purity:** 99.5%
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D1946
- **Catalysts**
 - **Specifications:** Various Types for Different Applications
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D3467
- **Pentane**
 - **Purity:** 99%
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D7500
- **Hydrochloric Acid**
 - **Concentration:** 30%-37%
 - **Supply Capacity:** Subject to communication with our group

- **Standards:** ISO 9001, ASTM D3278
 - **Calcium Hypochlorite**
 - **Purity:** 65%-70%
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D1531
 - **Pet Coke**
 - **Specifications:** Fuel Grade
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D7454
 - **Metallurgical Coal**
 - **Specifications:** High-Quality Coking Coal
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D388
 - **Coal**
 - **Specifications:** Thermal Coal
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D388
 - **Coke for Cement**
 - **Specifications:** High Carbon Content
 - **Supply Capacity:** Subject to communication with our group
 - **Standards:** ISO 9001, ASTM D4530
-

Quality Assurance

STC Group Europe Holding is dedicated to delivering high-quality products that meet or exceed international industry standards. Each batch is tested for purity and consistency, ensuring strict compliance with both **ISO** and **ASTM** regulations.

Certifications:

- ISO 9001: Quality Management System
 - ISO 14001: Environmental Management System
 - OHSAS 18001: Occupational Health and Safety
-

Purchase Procedure

We ensure secure and transparent transactions following **ICC rules** for international trade:

1. **Sales & Purchase Agreement (SPA):**
 - The buyer signs the SPA and makes an **initial payment of 50%** of the total contract value.
2. **Production & Shipping:**
 - Production starts after receiving the initial payment. Once production is complete, we arrange for shipping and provide tracking.
3. **Payment Against Bill of Lading:**

- After shipping, the **Bill of Lading and all necessary documentation** are provided. The buyer then makes the final payment of **50%** of the total contract value.

4. **Delivery & Certification:**

- The final delivery is made upon receipt of the remaining payment, along with **quality certificates** verifying compliance with all agreed specifications.

Logistics & Delivery

STC Group Europe Holding's logistics and delivery operations are based exclusively in **non-sanction countries**, ensuring compliance with international trade regulations. We adhere strictly to **ICC rules and regulations**, as well as **AML** (Anti-Money Laundering) and **anti-terrorism** laws to maintain the highest standards of integrity and security in our operations.

Our commitment to confidentiality is reinforced through our **Non-Disclosure Agreement (NDA)**, which ensures that our connections and networks—key assets of our business—are not disclosed. We value the trust of our partners and operate with a clear understanding of the importance of data protection in today's global market.
